

Agenda

Thursday, September 14, 2023 from 09:00 AM – 5:30 PM

Time	Duration	Topic	Trainer
09:00 – 09:15 AM	00:15	Official welcoming	Christoph Bollgen JUMO GmbH & Co. KG
09:15 – 10:00 AM	00:45	Charting a safe course through the measurands temperature and pressure	tbd
10:00 – 10:30 AM	00:30	JUMO Care+: the comprehensive carefree package for calibration, startups, and more	Sascha Römer JUMO GmbH & Co. KG
10:30 – 11:00 AM	00:30	Coffee break	
11:00 AM – 12:00 PM	01:00	Quality control in heat treatment based on the new international ISO/DIS standard 20431	Christoph Bollgen JUMO GmbH & Co. KG
12:00 – 12:30 PM	00:30	Technological change in the energy transition: Electrification of thermal process plants	Andreas Kraus JUMO GmbH & Co. KG
12:30 – 01:20 PM	00:50	Lunch break (on-site or virtual networking)	
01:20 – 02:30 PM	01:10	Guided tour of the Zollverein Coal Mine	
02:30 – 03:30 PM	01:00	On the path to climate-neutral production – saving energy costs and resources by using thermal energy in exhaust gas flow	Ronald Schmiemann Acritudo Systems GmbH
03:30 – 04:00 PM	00:30	Coffee break	
04:00 – 04:45 PM	00:45	Discussion and Q&A session on the topic: What does the future hold for thermoprocess technology?	Christoph Bollgen Andreas Kraus Ronald Schmiemann
04:45 – 05:15 PM	00:30	Into the future with JUMO – our full service for you	Christoph Bollgen JUMO GmbH & Co. KG
05:15 – 05:30 PM	00:15	Farewell	Christoph Bollgen JUMO GmbH & Co. KG
